

Hatteras Island Guide

This directory guide tells you how to find businesses in the different areas of Hatteras Island. It includes street addresses and phone numbers for groceries, churches, medical information, fishing, restaurants, camping, realtors, federal, state and county agencies, historical attractions and more.

Hatteras Island is a beautiful and somewhat remote location on the North Carolina Outer Banks. It can be an awesome place to visit for a weekend or for a week long vacation. The one question that I get asked more than any other is, "Besides fishing, what else is there for my family to do on Hatteras Island?"

This area has grown rapidly over the past 20 years. Along with our constant influx of new residents have come many new business opportunities to handle the increased population. Vacationing visitors along with our ever increasing population have together created a vast wealth of new things to do. This

brochure has been compiled to help both residents and visitors find exactly where they can access the many resources that are available on Hatteras Island and our immediate surrounding areas. So let's get started!
